Hello,

We developed a draft list of in-scope/out of scope items. The list is currently being passed around internally to make sure that it has proper coverage. I am planning to send that list to Samm Magsino tomorrow.

Best,
Dave

Morning David,

Please see Russell's email below and provide a quick update.

Thank you,

Andie

Subject: Meeting followup

Hi Andie,

I'm late in following up. How did we leave the scope issue for that TO?

Russ
